STEAMER CASTOR SUNK.

Collided with a Bark off Folkestone, England.

(By Associated Press.)

FOLKESTONE, Eng., July 28.—The steamer Castor and the bark Grant were in collision today off Folkestone. The Castor was badly injured and sank within a few minutes after the vessel came together.

Three passengers and the crew of twenty-six were landed at Folkestone.

It is Carnegie a Tariff Reformer.

LONDON, July 28.—Mr. Andrew Carnegie, in an interview published in the Engineering Review, is quoted as saying that he does not think the United States requires protection, which he claims is of little use for revenue purposes, as manufactured imports have fallen so low.

\$4,800,000 IN GOLD SHIPPED.

Sub-Treasury Balance Now Stands at About \$56,000,000.

Financiers Not Alarmed Over the Yellow-Metal Movement.

Today's European steamers took out \$4,800,000 in gold, shipped by the following houses: Lazard Freres, \$2,500,000; Rothschild, \$1,000,000; and the London and Lancashire, \$1,300,000.

All of the specie was taken from the Sub-Treasury, thus reducing its balance to about \$56,000,000. The steady depletion of our stock of the yellow metal has revived the talk about another issue of Government bonds, but as far as known the Administration has no such intention.

Should Congress act speedily on the tariff business would revive, and the Treasury would be able to add to its stock of gold.

The supply of specie is so small that it will not be surprising if further exports of gold are made during the coming week.

The imports of specie at the port of New York for the week were \$6,343, of which \$2,500 was gold and \$3,843 silver.

For the corresponding week of 1893, the imports were \$1,750,000.

The steamship Saginaw, which arrived from Santo Domingo yesterday, brought \$100,000 Mexican silver, consigned to J. B. Vane and Co.

ROBBERY AT AN "L" STATION.

O'Brien Grabbed Money from the Ticket Office.

Patrick O'Brien, thirty-six years old, of 30 Oliver street, was held in by Justice Peckham in Essex Market Court today on the charge of robbery. It is said that shortly after 5 o'clock this morning O'Brien sneaked up the steps of the Third Avenue "L" station at Canal street and Bowery, and putting his hand through the ticket-office window, grabbed all of the loose change he could reach.

John H. Keegan, of 296 Third Avenue, the ticket-collector, had his back turned at the time. He turned around in time, however, to see O'Brien, who was carrying more money. When O'Brien saw that he was discovered he bounded down the stairs and ran. He was followed by the ticket agent, who was assisted by a police officer. O'Brien was captured in the chase and taken to the station.

Police Officer J. H. Keegan, of the Third Avenue station, joined in the chase and captured O'Brien. He was taken to the station and held in by Justice Peckham.

STOLE THE HORSES' OATS.

Pape Caught Leaving a Stable with a Bag of Them.

William P. Haggerty, the manager of a branch of the Wells-Fargo store, at 656 Sixth Avenue, has recently noted that his horses grew lean, although he persistently bought oats.

Last night Detectives Kahn and Keegan, of the Third Avenue station, were on duty. They saw a man leaving the store with a bag of oats. They followed him and caught him. He was taken to the station and held in by Justice Peckham.

PLOT TO SMUGGLE CHINESE.

Three Arrested for Counterfeiting Registry Certificates.

PORTLAND, Ore., July 28.—An elaborate scheme to evade the Chinese Registration law was unearthed here yesterday by Federal officers. James A. Miller, E. Reed and a printer and engraver have been arrested for counterfeiting internal revenue registry certificates for Chinese.

Their plan was to sell certificates to Chinese here and in San Francisco, where they had a wholesale business. The printer, who was named Miller, was found with a large stock of certificates in his office. He was taken to the station and held in by Justice Peckham.

A LIE, SAYS DOHERTY.

Declares that Martin's Statement Is Untrue.

Perhaps He Will Tell Something About the Commissioner.

Feeling at Headquarters that "Something is Going to Drop."

The quiet that prevailed about Police Headquarters this morning was generally regarded as the calm before the storm. It is expected on all sides that something big will break before long, and all eyes are looking towards ex-Police Capt. Doherty to make the first move.

Hyman has not formulated his charges against the five sergeants as directed by the Board when it broke Doherty. He expects to do so early next week, probably by Monday. The Commissioners were conspicuous by their absence in the early morning hours. They are waiting to see the full effect of their last action before proceeding with the other trials.

Before any others are brought to trial, however, it is asserted, the Commissioners will bring to trial the cases of the captains recently put on trial for violation of the Department rules.

Capt. Doherty's indignation is on the increase, and there is every reason to believe that he will not let his anger be cooled by the trial of the captains. He has had any idea of keeping quiet the statement of President Martin, but he has been forced to make his mind.

Martin's statement was in answer to a question as to what he had to say to the late Mayor's statement. He had to say that he was not a party to the statement, but he had to say that he was not a party to the statement.

The Commissioner declared yesterday that he would have answered it at the trial, but that he did not think any one would believe Doherty's statement. He denied that the ex-captain had ever been in the office of the Commissioner.

When Capt. Doherty was asked if he had seen President Martin's statement in the paper, he replied that he had not. He said that he had not seen it, and he had not seen it.

In spite of his denial, his statement in the paper, and his statement in the paper, he had to say that he was not a party to the statement, but he had to say that he was not a party to the statement.

He said that he had not seen it, and he had not seen it. He said that he had not seen it, and he had not seen it.

THE LUCANIA'S ROYAL GUEST.

Prince Besolow and ex-Major W. R. Grace Are Fellow Voyagers.

Seven Steamships Carry Many Passengers to Europe.

Seven ocean liners carry the usual mid-summer Saturday quota of rest-seekers to Europe today.

Among the passengers on the Cunarder Lucania was ex-Major William R. Grace, accompanied by Mrs. Grace, two daughters and one son. They will put in seven weeks on the Continent and return in time for Mr. Grace to make his presence felt in the Fall elections. He still adheres to his sincerity in endeavoring to win the support of the voters.

Another unique figure on board the Lucania was a real live African King. As he has not been crowned yet he is known as Prince Besolow. He returns to his native country to become ruler of the Xhosa people. He is a member of the Xhosa nation, and he is a member of the Xhosa nation.
